GET STARTED WITH CANVA AI

Canva AI 2.0 offers new ways to create designs through conversation. Built across Canva's Visual Suite, it moves beyond one-off prompts and static generations, instead giving you a built-in creative partner that works alongside you in the editor from first idea to final design.

CHECK YOUR PLAN ELIGIBILITY

Canva AI 2.0 features, including Memory Library and Connectors, are available with:

- Canva Pro
- Canva Teams
- Canva Business
- Canva Nonprofit

Canva Education and Free users can access Canva AI 1.0 features and some AI tools like Magic Write and Background Remover with limited monthly usage. To get full access to Canva AI 2.0, switch to a paid plan.

WHAT IS CANVA AI?

Canva AI helps you create and edit designs, images and videos, and brainstorm ideas with ease.

You can also use it to:

- Create designs like presentations and social posts
- Generate images, text, and code
- Edit and refine content

Bridge4Mothers © 2026 by Bridge4Mothers Erasmus+ VET KA210 is licensed under Creative Commons Attribution 4.0 International

Disclaimer: *Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.*

- Go to the homepage, then select **Canva AI** on the side navigation.
- Enter a prompt.
- To use voice input, select the **Microphone** icon.
- Choose a content type. These options help Canva AI understand what you want to create:
  - **Design**
  - **Image**
  - **Doc**
  - **Code**
  - **Video clip**
- Select **Enter** or the icon.

Depending on the design type, you'll either be redirected straight to the editor, or you'll need to select the generated design and select **Use Canva Editor** to open it. Canva AI will be available in the side navigation. Continue your conversation there to help refine your design.

ATTACH FILES TO YOUR PROMPT

Add files to give Canva AI more context. You can use your own Canva files, uploaded files, or reference the web to enrich the results.

- Select **Upload** to add files from your device.
- Select **Add from Canva** to connect your Canva designs.
- Select **Import** to add files from connected apps.
- Select **Sources** to pull web information.

CREATE A BANNER WITH CANVA AI

1. Go to the homepage, then select **Canva AI** on the side navigation.
2. Enter a prompt. To use voice input, select the **Microphone** icon.
3. Choose a content type. These options help Canva AI understand what you want to create:

- Design
- Image
- Doc
- Code
- Video clip

4. Select **Enter** or the icon.

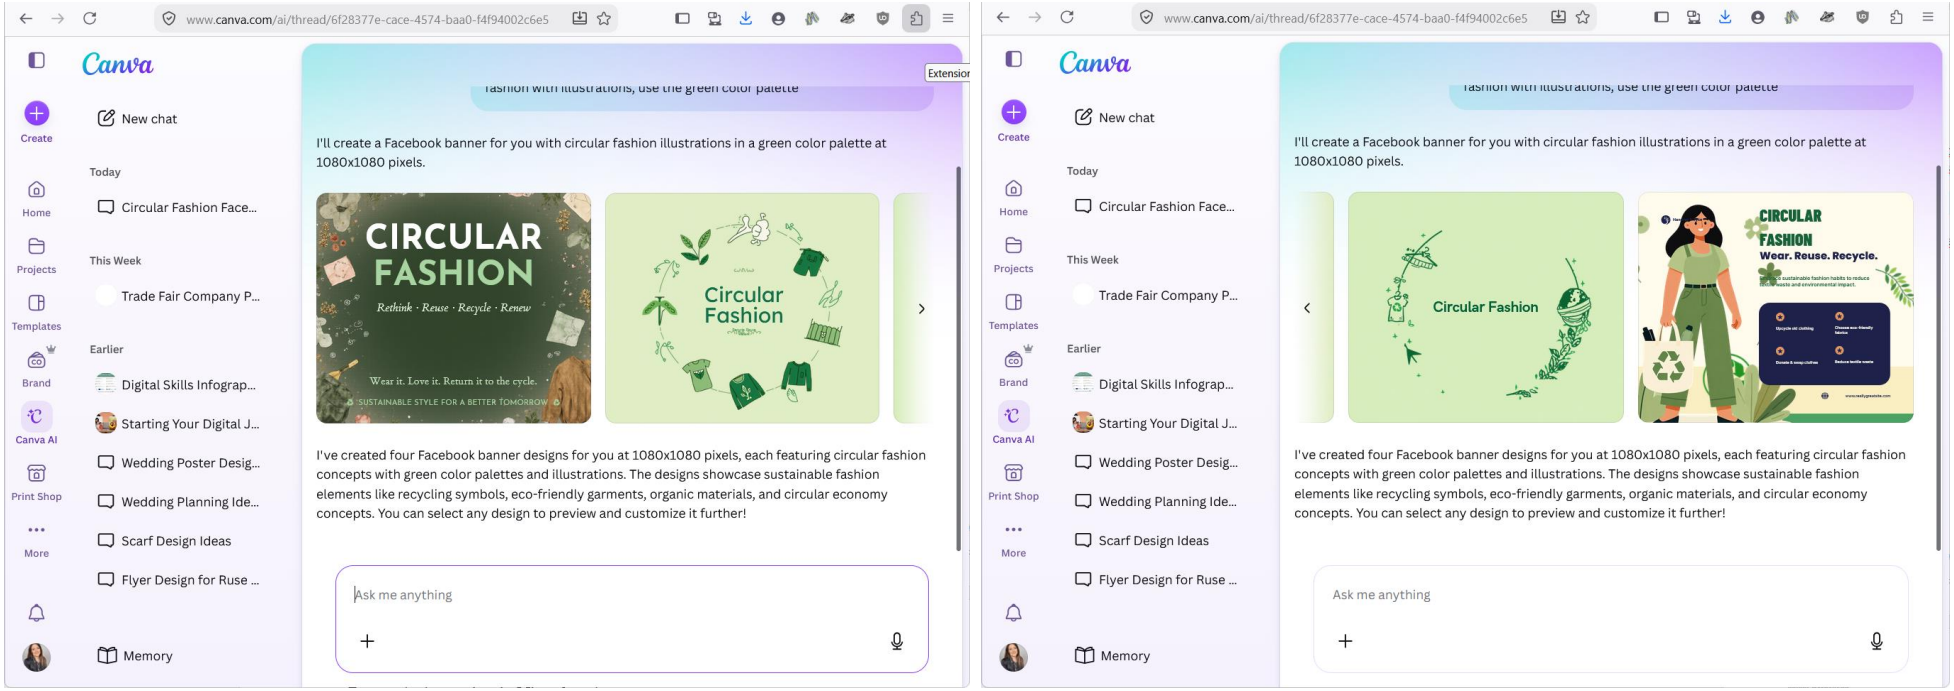

Let's start with this prompt

DESIGN A FACEBOOK BANNER 1080X1080 PIXELS REPRESENTING CIRCULAR FASHION WITH ILLUSTRATIONS, USE THE GREEN COLOR PALETTE

Bridge4Mothers © 2026 by Bridge4Mothers Erasmus+ VET KA210 is licensed under Creative Commons Attribution 4.0 International

Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.*

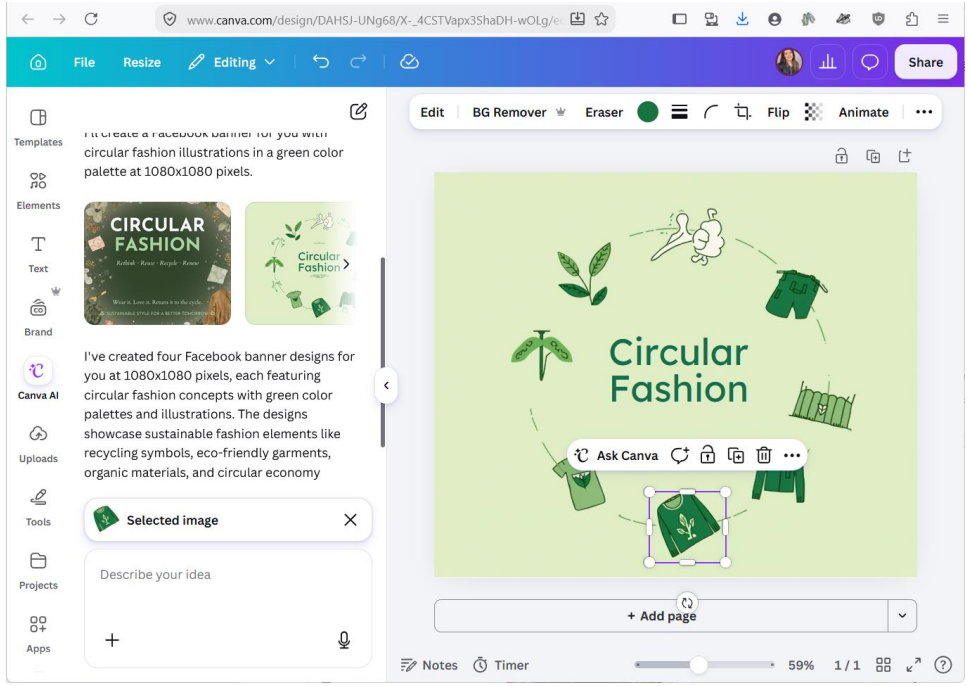

Canva provided 4 results, click the one you like and it opens for editing. Clicking on each element from the design allows you to move it around by dragging or to resize it.

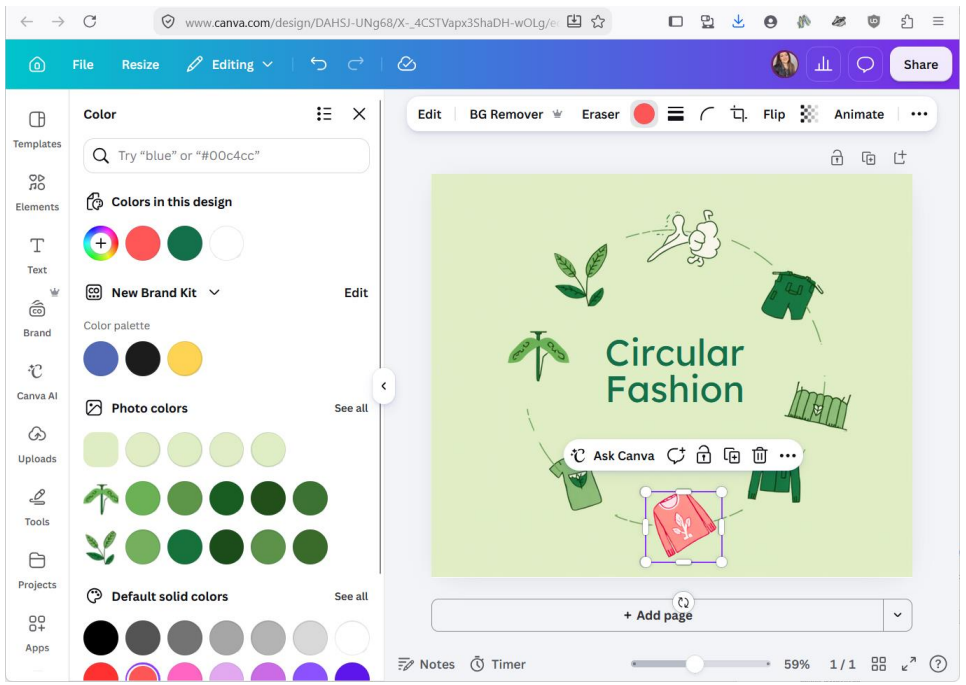

You can also delete elements that you don't need or add more images and texts.

For example, I deleted some of the elements that I did not like.

Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.*

CHANGING COLOR

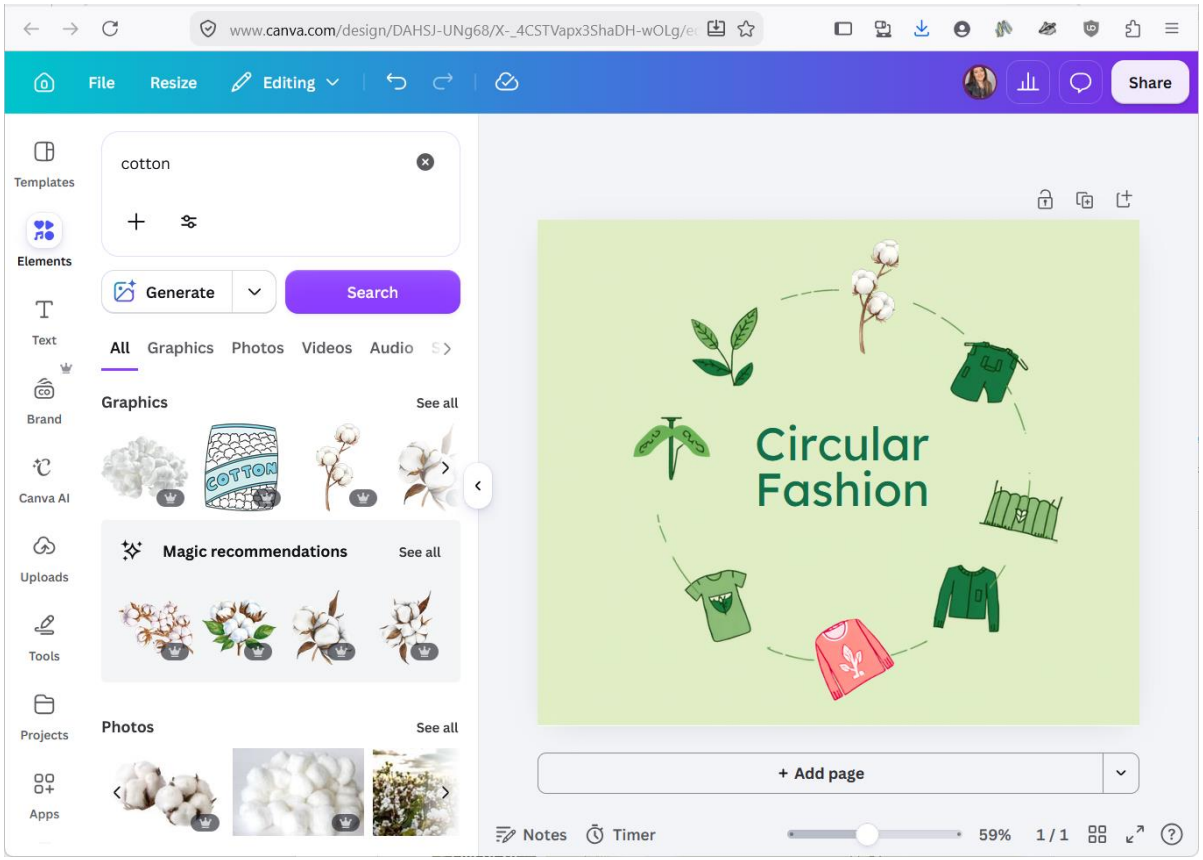

Click on one of the images. You can now change its color by clicking the circle on the top menu after Eraser, which represents the selected color (in our case dark green). The color panel appears on the left. Click on any color.

Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.*

CHANGING AN IMAGE

Select an image and then click on Elements. Type the word, for example COTTON. Then select an image you like and drag it over the selected image. If needed, adjust the size by dragging the image handles.

Neither the European Union nor EACEA can be held responsible for them.*

SAVING THE READY DESIGN

Click the button called **Share** on the top right then click **Download.** Change the file type if needed, you can also change the size and quality or select a transparent background. Then click **Download** to get your design.
